**Estimated Expected Family Contribution (EFC) = 03770**  
The EFC is an index that schools use to determine your eligibility and is not the amount of money that you have to pay. Your school's financial aid office will use your EFC to determine the specific types and amounts of student aid you are eligible to receive.

You may be eligible to receive the following:

- Pell Grant** Estimate - \$1,800.00
- Direct Stafford Loan** Estimate - \$9,500.00

You may also be eligible to receive other federal, state, or institutional grants, scholarships, and/or work-study.

<b>COA</b>	\$5,860	\$25,561	\$45,676

<b>Financial Need</b>	0	\$4,731	\$24,846

- The Shopping Sheet standardizes award letters, making it easier to comparison shop and provide students with key information including:
  - How much one year of school will cost.
  - Financial aid options to pay this cost, with a clear differentiation between grants and scholarships, which do not have to be repaid, and loans, which do.
  - The net costs after grants and scholarships are taken into account.
  - Fundamental information about student results, including information comparing default rates, graduation rates, and median debt levels for the school.
  - Potential monthly payments for the federal student loans the typical student would owe after graduation.
