From Dr. Dennis Vespe, Superintendent of Schools:

This Parent/Student Handbook is designed to assist parents/guardians throughout the school year and contains much information that you will find helpful to you and your children. The handbook contains many of the school's guidelines, rules, regulations, activities, as well as the names of school personnel. It is important that parents/guardians form a strong bond with the school in order to provide guidance, direction, and support for every student to attain his or her maximum educational benefits. This handbook and all other information pertaining to the Gloucester City School District can be found on our school website at <http://ghs.gcsd.k12.nj.us/> or by clicking [here](#). Here is to wishing everyone a ROARING NEW SCHOOL YEAR!!!

NOTE: THE PROCEDURES AND POLICIES STATED IN THIS DOCUMENT (OTHER THAN THOSE MANDATED BY N.J. STATUTE) ARE SUBJECT TO CHANGE DURING THE SCHOOL YEAR AT THE DISCRETION OF THE BOARD OF EDUCATION AND/OR SCHOOL DISTRICT ADMINISTRATION.

PRINCIPAL'S MESSAGE

On behalf of the administration, faculty and staff, I welcome you to the 2018-2019 school year at Gloucester High School. Whether you are a returning student, a freshman, or a transfer student, I encourage you to review the contents of this handbook since there have been some changes in procedures from previous years.

Gloucester High School continues to build upon its tradition of excellence. This tradition has been built by a student body, faculty, parents, and community who have endless pride in our school. Our school's vision steadfastly remains:

*“Gloucester High School, in **partnership** with students, families, and our community, sets high expectations for our **performance** and instills **pride** in our achievements, developing responsible citizens and a commitment to lifelong learning.”*

All students must understand and embrace the desired destination of becoming a “responsible citizen.” Responsible citizens act in kind and compassionate ways to others. They make informed decisions about their actions, and they do so with the understanding that their actions have consequences. Responsible citizens demonstrate pride in both their school and community. They have unique goals that align to their callings in life and pursue those goals passionately as they surround themselves with individuals who will support their pursuit. We encourage all students to review our rules and procedures in order to make decisions accordingly. Our school and the world beyond is better when each of us functions as a responsible citizen.

Development of individuals into responsible citizens truly “takes a village.” We urge parents to review all of the information this handbook contains, and encourage you to reach out to us at (856) 456-7000 any time that you need our support. Understand that there is no distance between your child's success and our staff's success; they are inseparable from the moment that a student enrolls in our high school, throughout the ensuing four years, and well beyond. We hope to feel your presence throughout the upcoming year at our conferences, information & support sessions, awards ceremonies, and athletic & extra-curricular events.

In closing, I would like to wish each and every student and family a successful school year. I can assure you of two things. We will care about you enough to hold the highest of expectations of all students. The four years of high school will go very fast - make the most of them.

In Partnership,

GLOUCESTER CITY SCHOOL DISTRICT OFFICE OF SPECIAL SERVICES

Amy Francis – Director (ext. 2168)
Tamra Berry – Secretary (ext. 2172)

Special services are available to all students who have been evaluated by the child study team and demonstrate specific disabilities based on State regulated criteria. These services include individualized or modified instruction, occupational therapy, physical therapy, speech/language therapy, counseling, adaptive physical education or recreation, specialized transportation and case management by a child study team member. Special services vary from student to student and are outlined in Individualized Educational Plans (IEPs), which are developed by IEP teams consisting of child study team representatives, teachers, parents, and others as necessary.

A child study team consists of a school psychologist, a learning disabilities teacher-consultant, a school social worker and, for preschool students, a speech-language specialist. There are currently three child study teams on staff in Gloucester City Public Schools. The child study team (CST) may receive a referral from school personnel, the Intervention and Referral Services Team, or a parent, for students who are experiencing academic, physical, sensory, emotional, communication or social difficulties. School personnel and the Intervention and Referral Services Team refer students by submitting completed referral forms to the CST. Parents refer their children by submitting letters requesting evaluations of their children to the CST.

PARENTAL RESPONSIBILITIES

The Board of Education of Gloucester City believes that the education of children is a joint responsibility, one it shares with the parents/guardians of the school community. To ensure that the best interests of the child are served in this process, a strong program of communication between home and school must be maintained and parental involvement in district concerns encouraged.

Therefore, parents/guardians need to recognize their responsibilities to their children and to the school and community. Parents should understand that if their children hear them speak positively about principals, teachers, and the school system in general, they are encouraging respect for authority. This will, in turn, result in good behavior in the classroom and will contribute to a positive attitude toward learning.

Parents can help insure proper discipline in school by:

- Showing interest in their child's school progress and working with school personnel to solve disciplinary and academic problems
- Getting to know their child's school, its staff, curriculum, programs, and activities and by attending parent-teacher conferences and school/parent functions, such as Family and Friends and/or School Advisory Committee meetings.
- Teaching their child how to dress neatly and to be clean, well groomed and wear clothes that are appropriate for school.
- Making sure their child goes to school, on time, every day unless their child is ill or has a contagious disease.
- Maintaining up to date telephone numbers at the school, including home, work, and emergency telephone numbers, addresses and health data.
- Contacting the school and explaining why their child is absent, as is required by New Jersey Statutes and School Board Policies.
- Teaching their child, by work and example, respect for law, for the authority of the school and for the rights and property of others.

NOTE: Students will not be called from class to speak with their parents/guardians for NON-EMERGENCY reasons.

BELL SCHEDULES

Please click [here](#) for all Gloucester City High School Bell Schedules for the 2018-2019 school year.

SCHOOL MESSENGER

Gloucester City Public Schools use School Messenger to notify our community about important events and news. Parents can elect to receive messages via text messaging and email as well as a phone call. Please provide a cell phone number if you would like to receive text messages and an email address if you would also like to receive email alerts.

BUILDING VISITORS

In order to ensure the safety of our students and staff, ALL visitors to the building must sign in at the security desk with the appropriate photo identification. Visitors will be issued a visitor's pass which must be visible at all times while on school grounds, and must be accompanied by a staff member AT ALL TIMES. Visitors not wearing the pass will be stopped by staff and asked to proceed to the security desk immediately. Unauthorized visitors will be subject to trespassing laws.

Parents and guardians wishing to meet with any staff member are requested to make an appointment in advance. Lunch money and other belongings must be left with security to be picked up by the student. Visitors and parents are not to visit a teacher's classroom unless the principal has given prior permission.

ARRIVAL AND PICK-UP BY VEHICLE AT GHS

Parents bringing their students to school by car are requested to pull into the RIGHT lane of the semi-circle in front of the building, and pull up as far as traffic will allow. For safety, students should exit vehicles on the passenger side of the vehicle. Students are requested to be prepared to exit the vehicle swiftly so that the flow of traffic is not held up. The left lane of the semi-circle is for thru-traffic ONLY. Please do not drop students off from the left lane or from the main parking lot.

When picking up your student during the school day, please park in one of the visitor spaces located along the curb by the flagpole. Please DO NOT move the cones at the front of the semi-circle and attempt to pull up to the front of the building, as we must maintain a clear fire lane.

When picking students up at dismissal, please maintain caution in the parking lot, as the majority of the student body exits through the front of the building.

STUDENT PARKING PRIVILEGE

Seniors, upon permission from the administration, may park their cars in the designated parking area (white lines only for students) during regular school hours. Seniors driving to school must register their vehicle with the main office and display a school-issued student parking permit.

Please note that the use of the parking lot is a privilege. Failure to abide by safe driving guidelines and student rules and regulations set forth in the discipline code could result in the loss of the parking privilege for the duration of the student's enrollment at Gloucester City High School.

Depending on space availability, the opportunity for on-site parking may be extended to eleventh grade students.

BICYCLE SAFETY

Students may ride bicycles to school. Bicycles must be locked to the racks provided, and are not to be parked in any other location other than on designated racks. The school will not assume any responsibility for bicycles. All students age 17 and under are required by state law to use helmet protection.

SKATEBOARDS AND SCOOTERS

Students are discouraged from bringing skateboards and scooters to school, as there is no designated means of securing them. The school will not assume responsibility for skateboards or scooters. All students age 17 and under are required by state law to use helmet protection.

STUDENT ENTRANCE INTO BUILDING

The main entrance doors to the GHS are open at 7:15 AM. All students are allowed to enter the building at this time. Students eating breakfast are to report to the cafeteria and all other students are to report to the media center or other designated area. Once students have entered the building, they are not permitted to leave without administrative permission.

EMERGENCY CLOSINGS **SCHOOL CODE #561**

In the event of inclement weather or other emergencies, school may be closed for the entire day or opened following a delay. Information about emergency closings or late openings will be relayed via School Messenger and displayed on the school webpage. Additionally, information will be provided to local radio and television outlets.

Please do not call the school to seek information about closings or delayed openings since our telephone system cannot handle the volume of incoming phone calls.

POWERSCHOOL PARENT PORTAL

PowerSchool provides teachers with a base for communicating effectively with parents regarding student achievement in a secure online environment. Through this service, students and parents will have access to teacher contact information, student attendance, student assignments and homework, as well as other information important to student success. To access the PowerSchool portal, visit our school website or click [here](#).

EMERGENCY PROCEDURES

Gloucester City High School has specific plans in place for crisis and emergency situations. These plans cover situations calling for school lockdowns and school building evacuations, as well as other emergencies. Throughout the school year, drills will take place to assure compliance with various administrative regulations and to keep students and staff familiar with their responsibilities. Emergency responders from the city, county, and state levels will be involved when needed.

Administrators and teachers are charged with keeping order and supervision of students throughout the school day. This responsibility is even more critical during emergency evaluations. Students will be made aware of the procedures and behavior expected during an emergency evacuation by the administration in opening school meetings and by individual classroom teachers through the school year. Students failing to follow procedures and/or emergency instruction will be disciplined.

K-9 DOGS IN BUILDING

Gloucester City High School will use K-9 dogs periodically and unannounced on our premises to inspect hallways, lockers, locker rooms, gyms, parking lots, etc. as one means of ensuring a safe school.

STUDENT PHOTOS AND I.D. CARDS

All students must be photographed for student identification. There is no sitting fee, although portraits may be ordered at cost from the photography studio. Prior to the date of student photos, a flyer will be sent home explaining the available packages in more detail. **NOTE:** All students must wear their school-issued identification at all times while in the building.

LOCKER USAGE

Students are permitted to use their assigned locker at any time between classes. However, it is recommended that students organize themselves so that locker usage is kept to a minimum.

NOTE: Usage of locker between classes is not an excuse to be late to class. The administration reserves the right to alter the above locker usage procedure if students are reporting late to classes.

GYM LOCKER ROOM

Students are not permitted in the gym or locker room area unless they are accompanied by a teacher. (See Discipline Code). Students are warned not to leave clothes, money, rings or other valuables unsecured. Gym lockers should be secured with an appropriate lock. **The school will not be held responsible for items that are removed or stolen from lockers or unsecured areas.** Students should bring only those items required for physical education class to the gym area.

Gym lockers are only to be used during physical education class, athletic practice and games. Any locks left on a locker overnight without prior approval may be removed at the direction of administration.

STUDENT BACKPACKS AND BOOKBAGS

It is recommended that student backpacks and bookbags are secured in the student's assigned locker during school hours. Students who choose to carry a backpack should be aware that certain violations of the code of conduct may result in a loss of bookbag carrying privileges.

PHONES, EARBUDS, AND PERSONAL ELECTRONIC DEVICES

Students are prohibited from using cell phones, earbuds, and personal electronic devices during school hours unless authorized for a specific instructional purpose. Such items should be stored in a student's locker or laptop bag, and are subject to confiscation for inappropriate or unauthorized use (Discipline Code Offense #27). **NOTE:** Such devices are strictly forbidden to be used in the halls between classes, as this constitutes a serious safety violation.

FOOD AND BEVERAGE

During the hours in which classes are in session, students are not permitted to have open food or beverage containers in the hallways. Closed, sealed containers for lunch may be kept in lockers during the school day and retrieved prior to moving to the cafeteria. Students are not to leave the cafeteria with open food or beverage containers.

NOTE: Under no circumstances are students permitted to place calls for delivery of meals to outside fast-food establishments. Any violations will be disciplined accordingly.

GRIEVANCE PROCEDURE - Chain of Command

When a problem arises, please request a meeting first with the teacher via the guidance department. If the teacher and guidance department are unable to resolve the problem, you may request a meeting with administration. If the problem is still not resolved to your satisfaction, please request a meeting with the Superintendent of Schools. *Only after attempting to resolve the problem in this manner should the Board of Education be consulted.*

STUDENT DRESS CODE: BOARD POLICY #5511
(Full text of all Board Policies available [here](#))

Dressing appropriately for school shows pride in oneself and the school. Thus, clothing should be clean, appropriate, and not extreme. Students whose attire, in the judgement of teachers or administrators, does not meet this requirement may be sent home to change. Good judgement should dictate what to wear in an educational environment. Any classes missed due to inappropriate attire will count toward the pupil being considered absent as per the Attendance Policy.

The administration/faculty shall enforce the dress code with the administration having the final decision regarding all matters concerning the dress code. Garments or accessories that depict bias or hate are strictly prohibited.

- A. **Footwear** – Students may not wear footwear that would be potentially hazardous during an emergency or evacuation. Students are prohibited from wearing the following:

- Slippers
- Flip flops or thongs
- Shoes with a heel higher than 1”
- Shoes with untied or missing shoelaces
- Shoes without straps
- Shoes with a sole thicker than 2”

NOTE: Students should change into appropriate athletic footwear for PE class.

- B. **Shirts, Blouses, Tops** – Shirts/blouses should extend downward and either over or under the bottom garment. A student’s stomach and lower-back areas should not be visible. Shirts, blouses, or tops that violate the acceptable Dress Code Policy:

- Midriff tops
- Tank tops and/or tops with enlarged armholes that do not provide coverage of the upper body may not be worn unless another shirt is worn underneath that does provide appropriate coverage (males & females)
- Spaghetti straps (straps must be at least two inches wide)
- Tube tops or off the shoulder tops
- Sheer or see-through tops
- Sheer tops/see-through tops
- Shirts with printed mottos or pictures that are offensive, immodest, promote illegal drug use (tobacco, alcohol, bars, etc.) or sexual violence
- Any top that breaches good taste or is obscene (administrative discretion)

- C. **Shorts, Pants, Dresses** – Appropriate length shorts, skirts, and dresses may be worn. All dresses, skirts, and shorts, and skirts must be at least mid-thigh in length. The following are considered inappropriate and therefore are prohibited:

- Pants worn lower than waist level
- Tight fitting or immodest shorts, pants, or dresses (administrative discretion)
- Spandex used as outer garments (including leggings that are skin tight)
- Underwear worn as outerwear
- Pajamas
- Items that are frayed/cut-off or have tears or unsightly holes

NOTE: Leggings may be worn if underneath shorts, skirts, tunics, dresses, etc.

- D. **Hats and Other Accessories** – The following violate the acceptable Dress Code Policy and are therefore prohibited:
- Hats and caps (including the wearing of hoods) or head coverings not governed by religious belief
 - Bandanas, head scarves, or sweat bands
 - Sunglasses
 - Chains as belts or other accessories
- NOTE:** All headwear must be kept in the student’s locker during the school day! Failure to comply with regulations governing hoodies will result in revocation of a student’s privilege to wear them to school.
- E. **Outdoor Coats** – Outdoor coats and jackets should not be worn in the classroom except in emergency conditions directed by the principal or with the permission of the classroom teacher.
- F. **Jewelry** – Students are discouraged from wearing jewelry, especially earrings and other body piercings, during PE classes. PE teachers may request a student to remove jewelry during class if they deem it to be potentially hazardous to the student’s safety.

NOTE: Because no dress code can be all inclusive, the administration reserves the right to make the final decision on all attire.

AFFIRMATIVE ACTION POLICY
STUDENT AFFIRMATIVE ACTION AND EQUAL EDUCATIONAL OPPORTUNITY: BOARD
POLICY #1140
(Full text of all Board Policies available [here](#))

Affirmative Action Officer and Title IX Coordinator – Elizabeth A. Curry, Ed.D.

The Board of Education shall adopt and implement written educational equality and equity policies in accordance with the provisions of N.J.A.C. 6A:7 – Managing for Equality and Equity in Education.

The Board’s affirmative action program shall recognize and value the diversity of persons and groups within society and promote the acceptance of persons of diverse backgrounds regardless of race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, religion, disability, or socioeconomic status. The affirmative action program will also promote equal educational opportunity and foster a learning environment that is free from all forms of prejudice, discrimination, and harassment based upon race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, religion, disability, or socioeconomic status in the policies, programs, and practices of the Board of Education.

SEXUAL HARRASSMENT POLICY – BOARD POLICY 5751
(Full text of all Board Policies available [here](#))

The Board of Education will not tolerate sexual harassment of pupils by school employees, other pupils, or third parties. Sexual harassment of pupils is a form of prohibited sex discrimination. School district staff will investigate and resolve allegations of sexual harassment of pupils engaged in by school employees, other pupils (peers), or third parties.

The Board shall establish a grievance procedure through which school district staff and/or pupils can report alleged sexual discrimination, including sexual harassment which may include quid pro quo harassment and hostile environment.

Definitions:

1. Quid pro quo harassment occurs when a school employee explicitly or implicitly conditions a pupil's participation in an educational program or activity or bases an educational decision on the pupil's submission to unwelcomed sexual advances, requests for sexual favors, or other favors, or other verbal, nonverbal, or physical conduct of a sexual nature. Quid Pro Quo Harassment is equally unlawful whether the pupil resists and suffers the threatened harm or submits and thus avoids the threatened harm.
2. Hostile environment sexual harassment is sexually harassing conduct (which can include unwelcomed sexual advances, requests for sexual favors, or other favors, or other verbal, nonverbal, or physical conduct of a sexual nature) by an employee, by another pupil, or by a third party that is sufficiently severe, persistent, or pervasive to limit a pupil's ability to participate in or benefit from an educational program or activity, or to create a hostile or abusive educational environment.

This Policy protects any "person" from sex discrimination; accordingly, both male and female pupils are protected from sexual harassment engaged in by school district employees, other pupils, or third parties. Sexual harassment, regardless of the gender of the harasser, even if the harasser and the pupil being harassed are members of the same gender is prohibited. Harassing conduct of a sexual nature directed toward any pupil, regardless of the pupil's sexual orientation, may create a sexually hostile environment and therefore constitute sexual harassment. Nonsexual touching or other nonsexual conduct does not constitute sexual harassment.

The regulation and grievance procedure shall provide a mechanism for discovering sexual harassment as early as possible and for effectively correcting problems. Please see the Appendix for further information on sexual harassment.

CURRICULUM AND INSTRUCTION

Gloucester City Public Schools are committed to a comprehensive process of curriculum planning and assessment to foster continuous improvement of student performance as measured by the local, state, national standards of excellence. Curriculum includes a scope and sequence of content, concepts, and skills taught in particular discipline, textbooks and other resource materials, identified measurable student learning objectives, and methods of assessing students' performance of learning objectives. During the summer months, teachers and administrators participate in one or more summer curriculum committees. These committees revise existing curriculum and develop curriculum for new courses. All curriculum is aligned with the New Jersey Student Learning Standards. As the State of New Jersey modifies or implements content standards, so too will the Gloucester City School District.

HIGHLY QUALIFIED TEACHERS

All teachers must be or become highly qualified in the core academics subject(s) they teach (English, Math, Science, Social Studies, the Arts and World Languages). This has been considered the best way of making sure that all students can achieve at high levels. The law also requires schools receiving federal funds to inform parents of their rights to ask about the qualifications of their child's teachers.

The federal definition of a Highly Qualified Teacher has three parts. Teacher must have:

- A four-year college degree;
- A regular (not emergency) teaching certification; and
- Proof of their content knowledge for the subject(s) they teach.

Teachers who are new (in their first year of teaching) or newly hired (in their first year in the school district) must meet these requirements at the time they are hired.

FAMILY LIFE CURRICULUM

A copy of the state-mandated Family Life Education curriculum is available for review. The weighted rank is used for scholarships, college admissions and National Honor Society. There are four levels of courses at Gloucester City Junior-Senior High School with level I carrying the least weight and level IV carrying the most weight for courses. Students and parents should refer to the yearly Course Selection Guide for information about the weight of specific courses.

- During the second half of the second marking period and the second semester in its entirety (third and fourth marking periods) - students will be scheduled into a study hall, if possible, will not receive credit for the course dropped, and will have "Withdraw/Failing" (WF) entered for the course dropped on the report card and official transcript. **This will affect GPA, class rank and National Honor Society status.**
15. Students will be given courses that they have requested, whenever possible. If a substitution has to be made, the student will be scheduled into one of his/her alternative course selections.
16. The School District reserves the right to revise students' programs of study to ensure that all students comply with graduation requirements.

REPORT CARDS

Report cards in Grades K-12 will have numerical grades for all academic subjects, with Grades K-8 denoting specific details regarding standards based proficiencies. Report cards will be issued quarterly and may be accessed through our PowerSchool Parent Portal [here](#).

GRADING

The following grade scale is used at Gloucester City High School:

A+	99 – 100	C	76 – 80
A	94 – 98	C-	74 – 75
A-	92 – 93	D+	72 – 73

Marking Period, Exam, and Semester Values for Grades 7-12

For full year courses, each Marking Period grade constitutes 45% of the Semester average, with the remaining 10% representing the Midterm or Final Exam:

$$S1 = (MP1*45\%) + (MP2*45\%) + (\text{Midterm Exam}*10\%)$$

$$S2 = (MP3*45\%) + (MP4*45\%) + (\text{Final Exam}*10\%)$$

Final grades are an average of the two semesters:

$$(S1 + S2) / 2$$

HONOR ROLL

DISTINGUISHED HONOR ROLL - "A" in all subjects including Physical Education and Health.

HONOR ROLL - "A's," "B's," and no more than 1 "C" in all subjects including Physical Education and Health.

APPEAL OF FINAL GRADES

A student may appeal his/her final grade. The time factor for this appeal will depend upon the nature of the alleged error.

A student who feels that the final grade is not an accurate evaluation of the cumulative average for the year's work may appeal through the guidance department during the period of time of the receipt of his/her report card in June, and the first day of the second semester of the next school year. Final grades during this time may be recalculated by the teacher, and if in error, are subject to change. If a change is to be made by the teacher, the teacher must first make a recommendation to the principal. Final grade changes are subject to approval of the principal. Once a final grade is appealed through this process, whether it is changed or not, it is then certified for accuracy in both calculation and recording, and is not subject to any further appeal or change.

ACADEMIC AWARD HONORS CEREMONY

To be honored at the annual Academic Awards Ceremony, a student must achieve the Distinguished Honor Roll or Honor Roll in each of the first three marking periods. Students must enroll in a minimum of five subjects to be eligible for the honor roll.

NATIONAL HONOR SOCIETY

Membership candidates eligible for election to the Nassau Chapter of **NATIONAL HONOR SOCIETY** will be based on a weighted GPA system. This scholarship level of achievement shall be required for candidacy. As part of the application, students will be asked to write an essay that demonstrates a student's worthiness for acceptance.

A student's eligibility shall then be considered based on his/her leadership, service, and character. Potential members must indicate any activities where he/she played a leadership role. Each student must have been actively involved in school or school/community activities (in addition, the faculty adviser maintains a list of service opportunities for students seeking such activities). Potential members must list all activities on a Student Activity Form. Students must demonstrate integrity, positive behavior, ethics and cooperation with classmates and staff.

Selection for membership is by a faculty committee vote. All staff members contribute remarks to the committee. **Once selected, members have the responsibility to continue to demonstrate these qualities. Failure to do so may result in removal from NHS at the decision of administration, NHS adviser, and faculty committee.**

PROCESSING OF COLLEGE AND SCHOLARSHIP APPLICATIONS

College and scholarship applications must be submitted to the guidance office two (2) weeks prior to the application deadline to assure timely processing. Students wishing to have a college and/or scholarship application forwarded prior to the winter break must submit the respective application(s) to the Guidance Office by December 1 (or, if December 1 falls on a weekend, by the following Monday).

POST-SECONDARY SCHOLARSHIPS/LOCAL SCHOLARSHIPS

Financial aid is available for post-secondary education. The primary form used for financial aid is the Free Application for Federal Student Aid (FAFSA). Our Guidance Department will host a "Financial Aid Night" and "Financial Aid Workshop" on a date to be announced. Parents of juniors and seniors are encouraged to attend this worthwhile program.

Local scholarships are also available for seniors. Each senior receives a listing of all local scholarships in April and may pick up the appropriate applications in the Guidance Office. All completed applications must be

submitted to the Guidance Office by the specified deadline. All local scholarship recipients should send a thank you note to the benefactors.

Parents should encourage students to inquire about all local scholarship awards since many are awarded on the basis of school and community service and citizenship rather than G.P.A. (Grade Point Average) alone.

In addition, various college and private sector scholarship opportunities are available to students; our Guidance department hosts a “Scholarship Fair” each fall to alert students of private, state, and national scholarship opportunities. Scholarship information is listed under the “Guidance” tab on our school website. If parents or students have any question(s) or concern(s), please contact your child’s counselor.

ELIGIBILITY FOR PARTICIPATING IN HIGH SCHOOL ATHLETICS

Eligibility for Participating in High School Athletics: A student athlete must pass a minimum of 30.0 credits at the end of the school year for fall and winter sports, and must be passing a minimum of 15.0 credits at the end of the second marking period (semester average) for spring sports. In addition, students must be in compliance with school attendance and discipline guidelines.

ELIGIBILITY FOR PARTICIPATING IN COLLEGE ATHLETICS

To participate in college athletics, students must be certified by the NCAA clearinghouse. All NCAA Clearinghouse certification documents can be found at www.eligibilitycenter.org. For further details, contact the high School Guidance Department.

SPORTSMANSHIP

Sportsmanship plays a major role in the development of our students and athletes through interscholastic athletics. Students who violate common standards of sportsmanship may and will be banned from all activities for any period of time up to the entire year, plus additional school sanctions may be considered. We appreciate and encourage your positive support of our student athletes, and your attendance at their contests.

HAZING

The Board of Education believes hazing activities of any type are inconsistent with the educational process and the Board prohibits all such and hazing behavior at any time on school premises, at any school-sponsored function or on any school bus.

“Hazing” means the performance of any act or the coercion of another to perform any act of initiation into any class, team, or organization that causes or creates a substantial risk of causing mental or physical harm. Permission, consent, or assumption of risk by an individual subjected to hazing shall not lessen the prohibitions contained in the policy.

All staff members, pupils and school volunteers shall be alert to possible behavior, circumstances, or events that might include hazing. A person who detects hazing and/or planned hazing shall immediately inform the pupil(s) involved of the prohibition against this behavior and/or conduct and direct them to immediately cease all such behavior and/or conduct. All such incidents must be reported to the Building Principal.

The Building Principal will report to the Affirmative Action Officer and the Superintendent any incident reported from a staff member, pupil, parent, legal guardian or any other source. The Building Principal will also report information received from anonymous sources; however, any formal disciplinary action will not be taken solely on the basis of an anonymous report.

There will be no reprisals or retaliation against any person(s) making such report of hazing behavior. Any allegations of reprisals or retaliation shall be reported directly to the Building Principal who will investigate such allegations and take appropriate action if the allegations are confirmed and/or if the person is found to have falsely accused another as means of retaliation or as a means of hazing.

The Building Principal or designee will immediately investigate any report of actual or planned hazing. If the investigation determines hazing behavior was planned or was present, the administration will take reasonable, age-appropriate and effective corrective action to the end the behavior which may include, but is not limited to, counseling, warning, and/or disciplinary action. The administration may need to provide support services to the pupil(s) that was to remedy the past hazing behavior.

SUMMER SCHOOL

Subjects failed during the course of the school year may be made up in a Summer School program (subject to availability and course offerings). The report card is the official notification of failures. Parents should contact the Guidance Office for Summer School registration forms. If a student fails a subject and does not attend Summer School, he/she will not accrue credits for that course or advance to the next level (e.g. English I, English II), and the student's schedule will be adjusted for repeating the course(s). Courses that are not offered at GHS may be taken at any New Jersey State Department of Education approved Summer School program on a tuition basis. The state requirement is 60 hours instructional time.

NOTE: Failure to attend Summer School could have an impact on a student's class standing, eligibility in athletics and graduation status. A student must have a cumulative grade average of "50" or above overall in the subject he/she desires to remediate over the summer. Students who do not meet this grade requirement may appeal in writing to the Principal.

(Full text of all Board Policies available [here](#))

2361- ACCEPTABLE USE OF COMPUTER NETWORKS/COMPUTERS AND RESOURCES

The Board shall develop a technology plan that effectively uses electronic communication to advance and promote learning and teaching. This system of technology shall be used to provide local, Statewide, national and global communications opportunities for staff and pupils. Educational technology shall be infused into the district curriculum to maximize pupil achievement of the Core Curriculum Content Standards.

It is the policy of the district to establish safe and effective methods for pupil and staff users of the district's technological resources. For full text of the policy, please click the link above or visit the district website at www.gcsd.k12.nj.us.

5516- USE OF ELECTRONIC COMMUNICATION AND RECORDING DEVICES (ECRD)

The Board of Education believes students and/or school staff members should not be subject to having a video or audio recording taken of any student(s) or school staff member(s) for any purpose without the consent of the student, the student's parent, and/or the school staff member. In addition to protecting the privacy rights of students and school staff members, the Board recognizes such recordings can be disruptive to the educational program. In addition, inappropriate recordings of educational material, student assessment instruments, and/or student assessment reviews can be used to compromise the integrity of the district's educational program or lead to academic dishonesty in the event such recordings are stored and/or transmitted to other students. Therefore, the Board of Education adopts this Policy regarding student use of electronic communication and recording devices.

"Electronic communication and recording device (ECRD)" includes any device with the capability to audio or video record or is capable of receiving or transmitting any type of communication between persons. An ECRD includes, but is not limited to, cameras, cellular and wireless telephones, pagers/beepers, laptop computers, electronic readers, personal digital assistants (PDAs), two-way radios, portable fax machines, video broadcasting devices, and any other device that allows a person to record and/or transmit, on either a real time or delayed basis, sound, video, or still images, text, or other information.

ILLNESS WHILE AT SCHOOL

Except for genuine personal illness or some verifiable emergency, students will not be excused before the end of the school day. In case of illness, a student must report to the nurse with a pass from his/her teacher. A student will be credited with an absence in all classes missed while at the nurse's office, unless prescheduled, and may be sent home by the nurse only after a parent or guardian has been contacted. Students who leave school without the nurse's permission will be considered truant, whether or not parents are aware. Request for early dismissal will be honored for confirmed medical and dental appointments. A written request from the parent stating the exact time of

dismissal, parent telephone number for verification, and the reason must be taken to the Main Office on the day before or day of the scheduled appointment. School policy regarding attendance will apply. In case of an emergency during the school day a parent or guardian will be contacted before the student is permitted to leave school. The Administration requests that parents try to schedule all appointments after school hours and reminds parents that students are responsible for all missed work as result of early dismissals. Please have your biographical information card completed or updated. It assists us in contacting parents and/or guardians.

SPORTS PHYSICALS

Students who choose to participate in interscholastic athletics must receive a physical examination prior to their participation in a sport. New Jersey State Code N.J.A.C. 6a:16, states that this physical examination must be given by the student's "medical home" (family physician). The Gloucester City School District will conduct physicals before each sport season for students who do not have a family physician. Only one physical examination is required for the school year, students need not receive a separate examination for each season.

Any student-athlete who possesses, distributes, ingests or otherwise uses any of the banned substances without written prescription by a fully-licensed physician, as recognized by the American Medical Association, to treat a medical condition, violates the NJSIAA's sportsmanship rule, and is subject to NJSIAA penalties, including ineligibility from competition. A list of such banned substances can be obtained from the athletic director or the athletic trainer.

USE OF MEDICATION BY PUPILS: BOARD POLICY #5330

(Full text of all Board Policies available [here](#))

The Board of Education disclaims any and all responsibility for the diagnosis and treatment of an illness of any student. However, in order for many students with chronic health conditions and disabilities to remain in school, medication may have to be administered during school hours. Parents are encouraged to administer medications to children at home whenever possible as medication should be administered in school only when necessary for the health and safety of students. The Board will permit the administration of medication in school in accordance with applicable law.

Medication will only be administered to students in school by the school physician, a certified or noncertified school nurse, a substitute school nurse employed by the district, the student's parent, a student who is approved to self-administer in accordance with N.J.S.A. 18A:40-12.3 and 12.4, and school employees who have been trained and designated by the certified school nurse to administer epinephrine in an emergency pursuant to N.J.S.A. 18A:40-12.5 and 12.6.

Self-administration of medication by a student for asthma or other potentially life-threatening illness or a life threatening allergic reaction is permitted in accordance with the provisions of N.J.S.A. 18A:40-12.3.

Medication no longer required must be promptly removed by the parent.

All student medications shall be appropriately maintained and secured by the school nurse, except those medications to be self-administered by students. In those instances the medication may be retained by the student with the prior knowledge of the school nurse. The school nurse may provide the Principal and other teaching staff members concerned with the student's educational progress with such information about the medication and its administration as may be in the student's best educational interests. The school nurse may report to the school physician any student who appears to be affected adversely by the administration of medication and may recommend to the Principal the student's exclusion pursuant to law.

The school nurse shall document each instance of the administration of medication to a student. Students self-administering medication shall report each incident to a teacher, coach, or other individual designated by the school nurse who is supervising the student during the school activity when the student self-administers. These designated individuals shall report such incidents to the school nurse within twenty-four hours of the self-administration of medication. The school district has specific responsibilities under the Act, which include the responsibility to identify, evaluate, and if the child is determined to be eligible under Section 504, to afford access to appropriate educational services.

The Gloucester City School District has a grievance procedure that asks that initial notice of any discrepancies be directed to the building's Compliance Officer. If the parent or guardian disagrees with the determination made by the professional staff of the school district, he/she has a right to a hearing with an impartial hearing officer.

If the school district refuses this request for amendment, it shall notify the parents within a reasonable time and advise them of the right to a hearing.
 14. request mediation or an impartial due process hearing related to decisions or actions regarding their child's identification, evaluation, educational program or services. The parents and the student may take part in the hearing and have an attorney represent them. Hearing or mediation requests must be made to the District 504 Compliance Officer.

STUDENT CONDUCT INFORMATION

PHILOSOPHY

The Board of Education expects pupils to conduct themselves in keeping with their level of maturity, with proper regard for the rights and welfare of the other pupils, for the educational purpose underlying all school activities, and for the care of school facilities.

OVERVIEW

This procedural manual has been developed by the Gloucester City School District for the purpose of delineating school rules, practices and consequences as they relate to the administration of discipline in the school.

The intent of this code manual is to identify commonly recognized student behaviors that are unacceptable in the education setting and to be a general guide for students, teachers and administrators. As a listing, these codes are not intended to be all-inclusive. Certain situations may warrant measures different than those prescribed herein. In such instances, administrative discretion will prevail.

Gloucester City School district is committed to providing all children with educational opportunities designed to prepare them to be productive members of a democratic society by developing each individual's ability to use higher thinking skills, logically solve problems and make rational, responsible decisions. It is the specific responsibility of the school instructional staff and administration to provide an environment in which that education can take place. To that end, these codes seek to list those behaviors, and the consequences of those behaviors, that may impede or disrupt the educational program of the school and the safety and well-being of our students. It is our hope that this information will assist parents, students, and teachers in the identification of unacceptable behaviors and provide a clear and consistent explanation of consequences such behavior will merit. It should be noted that these codes also apply to those school sponsored events that may take place beyond the regular school day and away from the school building. We want to be proud of our students, but more importantly, we want them to have pride in themselves. To that end, we are committed to providing the best possible learning environment.

The school administration and/or Board of Education have the right to administer discipline for any other offense, which is in violation of the law or school district policy or procedures, or in violation of acceptable standards of conduct for students in the Gloucester City School District.

EXPECTATIONS FOR STUDENT CONDUCT: BOARD POLICY #5500 **(Full text of all Board Policies available [here](#))**

Students, parents, school administrators, and the Board of Education all agree that positive student commitment and behavior are essential to effective learning. At the same time, we believe that it is important to help students realize that their own attitudes and acts are directly related to their school experiences and that of their classmates. With the support and assistance of school personnel and parents, all students have the capacity to demonstrate actions which contribute to the effectiveness of schools and the work of their learning experiences. Commensurate with their maturation levels and individual abilities, all students can behave in ways that enhance the social relationships of the school and facilitate learning.

Therefore, we, the students, parents, teachers, administrators, and the board of education of this school district, expect all students to fulfill the behavioral expectations of the school community, and to:

- Prepare them mentally and physically for the process of learning.
- Demonstrate respect for people and property.
- Take responsibility for their own behavior and learning.
- Use time and other resources responsibly.
- Share responsibility when working as members of a group.

- Meet the unique requirements of each class.
- Monitor their own progress toward objectives.
- Communicate with parents, guardians and school personnel about school-related matters.

At the end of every school day students are expected to exit the building in an appropriate manner. Students may remain in the building for reasons such as: extra help from a teacher(s), sports, clubs, tutoring, student meetings, the extended day program, or any other school sponsored activity.

Students that leave the school building at the end of the school day which includes early dismissal days are expected to: cross at locations that have crossing guards, go directly home, notify your parent/guardian if you are not going directly home, act responsibly.

We expect our students to conduct themselves in a manner that will contribute to the overall educational goals and expectations of the school.

We expect our students to develop responsible attitudes of personal conduct and to respect the rights of others in the school. The school respects the rights of students:

1. To be heard;
2. To receive fair and consistent treatment;
3. To due process procedures

Students do not have the right to disrupt or impede the learning process of others, nor does any student have the right to jeopardize the safety and well-being of others in the school. Defiance of adult authority, or verbal abuse of those adults employed in the school will not be tolerated.

NOTE: Once a student is referred to the assistant principal, the assistant principal will evaluate the situation and, in the context of the student's disciplinary history and the consequences of his/her misbehavior, assign the appropriate disciplinary measures.

STUDENT SUSPENSION AND EXPULSION: BOARD POLICY #5610 AND #5620
(Full text of all Board Policies available [here](#))

We hope that verbal reprimands, conferences, and detention would deter repeated misbehavior by students. However, in some instances disciplinary offenses call for suspension, or, in extreme cases, expulsion.

The right of a school district to utilize these disciplinary procedures is defined in New Jersey Statutes: "Any student who is guilty of continued and willful disobedience, or of open defiance of the authority over him, or of the habitual use of profanity or of obscene language, or who shall cut, deface or otherwise injure any school property, shall be liable to punishment and to suspension or expulsion from school."

Student conduct, which shall constitute good cause for suspension or expulsion of a pupil guilty of such conduct, shall include, but not be limited to, any of the following:

1. Continued and willful disobedience.
2. Open defiance of the authority of any teacher or person having authority over him.
3. Conduct of such character as to constitute a continuing danger to the physical well-being of other pupils.
4. Physical assault upon another pupil.
5. Taking, or attempting to take, personal property or money from another pupil, or from his presence, by means of force or fear.
6. Willfully causing or attempting to cause, substantial damage to school property.

7. Participation in an unauthorized occupancy by any group of pupils or others of any part of any school or other building owned by any school district, and failure to leave such school or other facility promptly after having been directed to do so by the principal or other person then in charge of such building or facility.
8. Incitement which is intended to and does result in unauthorized occupation by any group of pupils or others of any part of a school or other facility owned by any school district,
9. Incitement, which is intended to and does result in truancy by other pupils.

SUSPENSIONS

Out of School Suspension is assigned for repeated infractions or serious infractions such as fighting, threatening behavior, possession of alcohol or controlled substances, theft, etc. Out-of-school suspensions may be from one to ten days in duration, depending upon the seriousness of the offense and the past record of the student. Parent guardians are responsible for student during the OSS period. **Students are not allowed to return to school during the out-of-school suspension period, nor may they attend any school-sponsored events during a suspension.** A parental conference may be required before a student is permitted to return from a suspension. In School Suspension may be assigned per the Code of Conduct.

Multiple Suspension Rule

Any student, who receives two (2) out-of-school suspensions from school during the course of the year, will become immediately ineligible to participate in any extra-curricular and school sponsored events/activities for the remainder of the year. These events/activities include, but not limited to: athletics, all clubs, dances, Prom, field trips, and class trips. A student may re-earn his/her eligibility by demonstrating acceptable behavior, maintaining academic eligibility, and not receiving any Administrative disciplinary action within 45 school days. At the completion of the 45-day probationary period, the student can appeal to the Discipline Review Committee for reinstatement of privileges.

EXPULSION

Expulsion is the most severe form of discipline that can be levied against a student by a New Jersey public school. The decision of a local Board of Education to expel a student has the effect of denying the student educational opportunities in any public school in the state. School administrators can only recommend expulsion to the Board of Education and the Superintendent. Only the Board of Education can take action to expel a student.

Pupil Assault of Staff (NJ Statutes 18A: 37-2)

Any pupil who commits an assault as defined pursuant of NJS 2c: 12-1, upon a teacher, administrator, board member or other employee of the Board of Education, acting in the performance of his duties and in the situation where his authority to so act is apparent, or as a result of the victim's relationship to an institution of public education in this State, shall be immediately suspended from school consistent with procedural due process pending expulsion proceedings before the local Board of Education. Said proceedings shall take place no later than 21 calendar days following the day on which the pupil is suspended.

HARASSMENT, INTIMIDATION, AND BULLYING - BOARD POLICY #5512 **(Full text of all Board Policies available [here](#))**

The Board of Education prohibits acts of harassment, intimidation, or bullying of a pupil. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts

both a pupil's ability to learn and a school's ability to educate its pupils in a safe and disciplined environment. Since pupils learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

The board policy can be located on the school website by using the "Anti-Bullying Information" link, or by clicking the link above.

THE SRO AND COMMUNITY POLICING IN SCHOOLS
RATIONALE FOR LAW ENFORCEMENT OFFICERS WORKING IN SCHOOLS

"When the School Becomes a Neighborhood"

Although school-based policing continues to grow throughout America, citizens sometimes question the need for providing on-site policing resources in the school setting. Sometimes a police presence is misinterpreted as a sign that schools are unsafe. Imagine a community within a city or county that did not have policing resources assigned to it every day. While families leave their homes each day to go to work and school, police officers patrol their neighborhoods in an effort to protect their property. At the same time these neighborhoods are being patrolled, most secondary schools house more citizens at any given moment than any other public setting in the community. To not have police resources routinely assigned to the school setting is to leave without protection the most populous community - our schools.

SRO As Community Liaison/Problem Solver

A central principle of community policing involves the creation of partnerships between law enforcement and members of the community. The SRO will be expected to serve as a liaison between the school and the law enforcement agency and to provide information to students and school personnel about law enforcement matters. Additionally, the problem solving inherent in community policing requires the SRO to become knowledgeable about and use various school and community resources.

Experience has taught that once trust has been established, students and even parents will seek out the SRO for guidance in day-to-day problems. A SRO knowledgeable about school and community resources is better equipped to direct those seeking assistance to the appropriate resource.

STUDENT DISCIPLINE CODE

Rationale

School, like society in general, is founded on reasonable rules of behavior, which are intended to provide for the well-being and safety of its citizens.

The purpose of the discipline code is to assure that Gloucester City High School is able to provide a positive educational environment for learning and a desirable place for social interaction among students, staff, and the community. To maintain these goals within our school society, the responsibility for success must be shared by all -- the students, parents, teachers, staff members, and administrators.

It is the function of the discipline code to provide for fair and effective practices, which would promote appropriate social behavior. In the event of inappropriate behaviors, consequences will be administered with the intent of promoting a positive change in student behavior.

NOTE: The disciplinary guidelines contained herein are not all-inclusive. Administrative discretion will be taken if and when a more comprehensive disciplinary action is required.

Hall Regulations

Each student should display self-control and courtesy at all times to contribute to the well-being and comfort of his/her fellow students. When passing to class during the day, students should not gather in the halls in groups so as to impede the movement of traffic. Students should walk at all times and arrive at class on time. During building evacuations, observe absolute silence and follow directions.

No one is to be in the hall while classes are in session without a pass. The pass will indicate the destination of the student, such as to one of the offices, to the nurse, or to see another teacher.

Handling of Discipline

Teachers will handle discipline for most offenses. For serious offenses or repeated offenses, the student may be referred to the Assistant Principal for Discipline. A student referred to the office for a disciplinary matter may be assigned a penalty as stated on the charts on the following pages.

A student will be suspended if he/she commits a major infraction or persists with continual disruptive behavior as shown on the charts. The length of the suspension and whether it is from class (in-school) or from school (external) will be determined by the assistant principal according to the rules established for each specific type of suspension.

Listed below are some of the major offenses which may result in a suspension from school (ISS or OSS) on the first infraction unless there are unique and mitigating circumstances in the judgment of the disciplinarian and/or building principal: extortion / intimidation; abusive language directed at staff; open defiance, disruption of school or any action which could lead to the disruption of school; possession and/or consumption of alcoholic beverages; possession and/or use of any Controlled Dangerous Substances or drug paraphernalia; possession of any weapon including, but not limited to pen knives; possession or exploding of firecrackers; destruction of school property; serious antisocial behavior; any action which could lead to bodily injury to any student or staff member. The charts on the following pages give a summary of specific offenses and penalties.

No student, regardless of age, shall be permitted to attend any school functions, on or off school property, if evidence exists that the student is under the influence of some intoxicant. Any student who consumes an intoxicant or who is found to be in possession of or under the influence of any intoxicant while participating in a school activity, on or off school property, shall be subject to disciplinary action. Consumption of any amount of alcoholic beverage is considered to be "under the influence".

PRIDE PROGRAM

The GHS PRIDE Program offers an alternative setting to students who struggled to meet behavioral expectations in a traditional school setting. PRIDE is a transition program with the goal of successfully re-entering students into the mainstream population.

Through the utilization of an online learning platform, Gloucester High School Staff are able to seamlessly deliver a curriculum aligned with New Jersey's Student Learning Standards. Students will rely heavily on the use of a cloud-based learning platform that will enable them to store, organize, retrieve, and submit work while a small student-to-staff ratio provides a forum for teachers to provide intimate/individualized instruction and offer immediate feedback.

Egregious student conduct including but not limited to the assault/threat of a staff member, possession of weapon and/or drugs could result in immediate placement into the GHS PRIDE Program. In other cases, students who have accumulated a combination of three in-school and/or out of school suspensions will be considered eligible for enrollment into the PRIDE Program. At this point, entry into the PRIDE Program will be determined by school administration.

Students will be enrolled in the PRIDE Program for a minimum of one complete marking period. Students must adhere to Gloucester High School's Code of Conduct, PRIDE Contract, and Attendance Policy. Students in the PRIDE program are ineligible to participate in any extra-curricular and school sponsored events/activities. These events/activities include, but are not limited to: athletics, clubs, dances, Prom, field trips, assemblies, and class trips. If the aforementioned expectations are met, the student will be considered for re-entry into the general population and an exit interview will be scheduled with the student's parent(s)/guardian(s) to develop a plan and discuss expectations.
